FITS CURED

(From U. S. Journal of Medicine.)

Prof. W. H. Peake, who makes a specialty of Poliomyelitis, has without doubt treated and cured more cases than any living Physician; his success is astonishing. We have heard of cases of 20 years standing cured by him. He publishes a valuable work on this disease which he sends with a large bottle of his absolute cure, free to any sufferer who may send their P.O. and Express address. We advise anyone wishing a cure to address Prof. W. H. Peake, F. D., 4 Cedar St., New York.
